

A MESSAGE FROM RABBI GELBER

Friends,

As I mentioned on Shabbat, February 17, Alexander Muss High School in Israel has a longstanding relationship with the South Florida Jewish Community and Marjory Stoneman Douglas High School in Parkland, Florida, the site of last week's treacherous shooting which resulted in the loss of 17 lives. Current students from the high school are on campus in Israel this semester, and AMHSI is working intentionally to offer support.

For those who wish to take part in the gift of a package being shared with that community, take some time to **send words of support, prayer or a poem to info@amhsi.org by Friday, February 23**. For those who wish to participate with AMHSI in planting trees to honor the memory of the victims, visit [this page](#).

May we make the memories of the innocent an everlasting blessing.

Rabbi Lisa B. Gelber
